CAR Presidential Visit

For the last five or six years we have invited the CAR Junior President and the Senior President to visit our SAR Chapter. We host a dinner for the CAR President which is attended by several DAR and CAR Chapter Regents and Presidents each year.

The reason is so that the CAR President can share his Service Project with everyone who attends and subsequently sell some pins to support the project. The next morning we have a Ceremony at the Springfield National Cemetery to honor Wreaths Across and our veterans. The CAR President always has a role in the ceremony, so that they gain the experience of working with a Color Guard and members of the community in performing a Wreath Laying Ceremony at the grave of a Patriot Ancestor.

Following the ceremony, we meet for our monthly SAR Chapter Meeting with our CAR Guests on the Agenda. This is a good time for the CAR Junior President to speak to a larger group about their project, sell pins and receive a donation from our SAR Chapter to support his project.
